Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

A longtime aide to District Attorney Steve Wolfson stole nearly \$42,000 from his campaign four years ago to cover a gambling habit, but was allowed to pay back the money and avoid being charged, a Las Vegas Review-Journal investigation has found.

Audrie Locke, 45, the district attorney's community liaison and spokeswoman, admitted in an interview that she took the campaign's checkbook from Wolfson's office without his knowledge and wrote a series of checks to herself in 2014. She blamed the theft on money troubles tied to

Las Vegas Metro Police Department

Fraud- supplied information to the Department of Federal Bureau of Investigations about King Michael Tutankhaman embezzlement charge

The Federal Bureau of Investigation signed off on this charge but was never enforced

The government sent this charge back and said he is King Michael Tutankhaman

The Las Vegas Metro Police Department stated he is not going to be arrested if he does not claim his evidence inside our evidence locker and evidence room

Las Vegas Metro Police Department started using his software in 1994 and never said anything to the Department of Federal Bureau of Investigations

The person in charge was Donald John Trump

Donald John Trump said he is not the Director but he is the Royal Liaison so, send all traffic from King Tutankhaman to my office located in Mamaroneck New York.

The Department of Federal Bureau of Investigations has been lying to the Vatican for 30 years about King Michael Tutankhaman/The Grand Royal Prince Michael Dumpledore III

The Vatican sent a letter of condolences to the Department of Federal Bureau of Investigations with a picture of King Michael Tutankhaman/The Grand Royal Prince and was forwarded to Queen Elizabeth II 'see you in court'.

Queen Elizabeth II replied, fuck you.

The Vatican replied while being pursued in court by the Las Vegas Metro Police Department we have sovereign immunity to kill King Michael Tutankhaman if he pursues this matter in court.

The Vatican replied.

The Las Vegas Metro Police Department owes King Michael Tutankhaman an explanation of this embezzlement charge.

The Las Vegas Metro Police Department replied and said we are not going to pursue King Michael Tutankhaman.

The Vatican replied and said, we are not going to pursue you in court but, King Michael Tutankhaman may.

Date

Las Vegas Metro Police Department replied and said, well we will see him in court.

The Vatican replied and said, we will support our Royal Baby Angel at all costs.

Las Vegas Metro Police Department replied and said, it was the private Investigator sent by the Federal Bureau of Investigations.

The Vatican replied. We have to honor our Royal Baby Angel whom of which is King Michael Tutankhaman.

Las Vegas Metro Police Department replied. We see the point.

The Vatican replied, see you in court, they are waiting for King Michael Tutankhaman to return in one piece including the assets in which the United States of America lied about.

The Las Vegas Metro Police Department are on watch to see you take them to court because they said they are really sorry and have to get back to work but they were lied to from Donald John Trump and Markus Harvey and Marcos Harvey and a slew of other individuals involved.

The Vatican said, see you in court.

Governor Brian Kemp

I was told not to honor who King Michael Tutankhaman is because he is a lying bastard from Atlanta, Georgia and needed to be suppressed.

The Vatican replied and said, see you in court because this is the end of the world. That statement was from the private investigator involved in the investigation.

The Private Investigator sleeps in the gauntlet hoping no one is monitoring him traveling back and forth to the Governors mansion in order to use the communication software.

The Private Investigator said I have nothing left, then he walked out of the Governors mansion and started crying because he was caught boinking Marcos Harvey again in the Apartments located at 2751 Hammondton rd #2, Smyrna Georgia 30081.

The Private Investigator is not allowed in the State of Georgia permanently banned by the Governor for getting him involved with this scandal

End of Transmission and not the disease.

The Governor of Georgia is not going to win this next election if he is involved with this scandal so he is asking permission to recuse himself from this investigation following the approval of King Michael Tutankhaman.

The State of Georgia will not rely on this frivolous claim from the private investigator no longer.

The Private Investigator is not longer allowed to investigate King Michael Tutankhaman in accordance with the standard of investigating Diplomats.

The State of Georgia states your record will be cleared following the completion of your trial involving the United States of America.

The Vatican said, we have been monitoring King Michael Tutankhaman for the last 600 million years, we will not allow this time frame to discourage our Golden Angel.

The Private Investigator wants King Michael Tutankhaman to represent him in court and will not disagree with anything that is submitted in accordance with the policing authority.

The Vatican said we will authorize whatever punishment he recommends from the manual of policing authority.

The Private Investigator is literally typing everything using the equipment we sent to King Michael Tutankhman because he has been storing the equipment in the apartment originally assigned to King Michael Tutankhaman after his first encounter with this Private Investigator whom of which has been stalking King Michael Tutankhaman for the past 30 years in order to hide his identity.

The Vatican has to be made aware of these allegations and no one has sent communication to the Vatican authority in the last 30 years about King Michael Tutankhamans whereabouts.

The Vatican is not only investigating these matters but has authorized King Michael Tutankhaman to use his better judgement in order to solidify the Private Investigator in which is still typing these communicative messages in order to hide his deceit.

The Private Investigator is on his way to The Vatican in which is located in the City of Las Vegas and then he left and went to Atlanta, Georgia in order to inform the Governor that King Michael Tutankhaman has been located in the City of Las Vegas but was seen hotrodding his matte dark gray Dodge Charger in order to show off to King Michael Tutankhaman that he will never be able to pursue these matters in court because the Dodge Charge is his vehicle if he remembers they replaced his vehicle with the components in which he damaged to the man that he tormented from 2013 in which he was not even in the City of Las Vegas.

The Vatican has not heard of these allegations for the last 30 years so how are they being made available to the Las Vegas Police Department when this medium is suppose to be for Governor Brian Kemp.

The Private Investigator stopped typing and noticed that everything he was typing was being typed at the same time as he was typing the information into the medium in which he stole from the Governors Mansion when he left conducting his campaign trail.

The Governor of Georgia is not typing or using the medium sent by the Vatican because the Governor does not know how to use the computer based system while using the keyboard.

The Private Investigator was reprimanded for this frivolous act of policing authority and will be pursued in court by King Michael Tutankhaman/The Grand Royal Prince Michael Dumpledore III.

The Vatican is waiting on you to return.

The Private Investigator is purposely drawing out this communication due to them being removed from the case but is still using the medium in order to secure funding from the Vatican.

The District Attorney office is so sorry this happened again and while support any decisions made by King Michael Tutankhaman/The Grand Royal Prince Michael Dumpledore III.

The Judge assigned said we have a major case again dealing with this rogue private investigator who will not go away.

The Private Investigator said, I can't go away because I am lonely, see you in court. (heresay)

The Private Investigator under the Governors medium stated bow to me and take this dick.

Governor responded and said see you in court

The Private Investigator said, Marcos make him bow.

Albert Perry responded, do not respond see you in court

The Private Investigator says we are married and have been fornicating since he was 13 years old.

The Private Investigator has been receiving accolades using your information for the past 30 years about being the best private investigator in the world.

I need to shower because me and my husband are about to go to jail for the rest of our lives for torturing the Golden Angel whom of which is King Michael Tutankhaman/The Grand Royal Prince Michael Dumpledore III/Michael Joseph (frivolous adoption to Michael Maxwell Hill in order to hide his identity)

Judge Boulware and Magistrate Judge Youchah, District Attorney,

Case# 2:22-cv-01219-RFB-EJY(AIB actual)
(HARVEY V HILL)

This letter is to the District Attorney's Office, we are requesting a transmittal record in verifying the number of memorandum's this office has received for the assigned court case number as listed above. The office has not provided a record of transmittal for any of the memorandum's in which has been designated for the District Attorney's or the District Magistrate Judge.

This letter is proof that the City of Las Vegas is not paying any attention to the condition's in which have been forced upon King Michael Tutankhaman/The Grand Royal Prince Michael Dumpledore III/Michael Joseph(frivilously adopted and given the name Michael Maxwell Hill).

The reason for this letter transmittal is to signify the continuity between the Magistrate Judge, the Las Vegas Metro Police Department and King Michael Tutankhaman/The Grand Royal Prince Michael Dumpledore III/Michael Joseph(frivilous adoption to Michael Maxwell Hill). Due to the private investigator acting as the District Attorney, shows a lack of enforcement and continuation pursuant to the policing manual.

Thank You.
